--Øur Invitation

To the good people of Ohio county is not to cent to us and buy five dollars worth of new and fushionable goods for \$2.97, for we do not expect people to believe a proposition of that kind, and we propose in our newspaper space to deal in facts as we would in a conversation with our patrons. But we wish to say that we have bought for SPOT CASH, and in the hest Eastern markets, and we bought FINER goods than ever hefore. Now, having the goods with these advantages, we know that we can sell them at LESS PROFIT than most firms, hence we can give you advantages that you cannot get elsewhere.

ALL WE ASK IS THAT YOU COME TO SEE US!

In our old lines we will sell you three dollars worth for two dollars, out sell them as old stock and allow you to select. We are wanting the Fashionable Good trade and think we can and will get it. We will give no price list here, because that amounts to nothing. We save the elooped goods, but we want to sell you better goods. Get in your wagons and come along. Respectfully.
